VISION

DRAFT

“Celebrated as a destination for excellence in the arts, recreation, learning, and multi-generational enjoyment opportunities; Lee’s Summit is a dynamically diverse and economically viable city that thrives on the collective energy of its citizens. Recognized for its emphasis on healthy living and attention to the environment, our City is the ideal place to live, learn, work, and play!”

QUALITY OF LIFE

Sample of broad goals for the improvement of the quality of life in Lee's Summit through the development of our cultural arts sector:

- Benefit Lee's Summit economy and public relations
 - ✓ Example- LS Cultural Arts can bring economic growth by making us more diverse, more competitive in recruiting new business, attract a skilled and educated workforce, and generate tourism dollars.
- Improve the quality of life for residents
 - ✓ Example- Increasing the cultural depth and entertainment opportunities available to the community would increase resident satisfaction, provide outlets for creative expression, and increase opportunities for community involvement/participation.
- Promote our unique history, build community, and celebrate diversity
 - ✓ Example- LS Cultural Arts can promote knowledge of history of Lee's Summit, create opportunities for families to spend time together and connect to the community, and provide an avenue to celebrate diversity and teach tolerance.
